Jan Juc Surf Life Saving Club Foundation

Supporting lifesaving operations and development of Jan Juc SLSC

Jan Juc Surf Life Saving Club Foundation

To enable our volunteers to perform their community service we must ensure they are suitably trained and have the use of current first aid and rescue equipment.

The Jan Juc SLSC has been keeping an eye on the Jan Juc Beach going public since 1964. Ordinary people volunteer their time to watch over and protect people they have never met, often in dangerous conditions. To enable these volunteers to perform their community service we must ensure they are suitably trained and have the use of the most current first aid and rescue equipment.

The Jan Juc SLSC Foundation has been created to support the long term viability of the Club's lifesaving services. The Foundation has the objective of providing long term financial security for the ongoing development of the Club's lifesaving services and its facilities.

Monies received by the Jan Juc SLSC Foundation are placed in a Trust Fund and come from private donations, bequests and a percentage of monies raised from the Danger 1000 Ocean Swim and Bells Bash Cliff Run.

In order to continue the expansion of the Jan Juc SLSC Foundation Trust Fund, you are invited to become a Friend of the Foundation by committing to a regular contribution to the Trust Fund.

Please also consider the possibility of supporting the Jan Juc SLSC Foundation via a bequest.

You are always welcome to visit the Club at anytime.
