### NOTES:

- 1) Jan Juc SLSC takes safety very seriously and will not award an S-Badge unless the Nipper can confidently complete the S-Badge distance for their age group. This is in the best interest of your child.
- 2) It is recommended parents take their children for some open water swimming experiences before attempting their S-Badge.
- 3) Swimming lessons are highly recommended, as the Nipper Programs will not teach your child to swim.
